Whiskers: use same color as cloth

Eyes: using double strand of brown, tie a knot in the middle but make it a flat knot. Position eyes along row 41. Tie together in the back.

Nose: using double strand of pink, tie a tight knot in the middle. Position between eyes on row 37. Tie together in the back.

Working on a straight line between first loop and where you pulled the tail through, pick up six more stitches for a total of seven. Insert size 2 needle in loops. You will knit with strand of yarn that hangs out the front. Row 1: knit across; Row 2: purl across; Row 3: slip one, knit one, pass slip stitch over, k3, knit two together; Row 4: bind off. Insert long bind off end at kitty's shoulder and back through to the front on opposite shoulder. Insert end through left top corner of sling and through to the back. Tie off with beginning tail end.
