## The Birthday Box by Carol Callaway

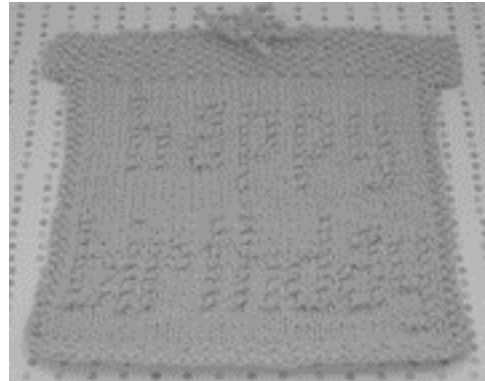

**nt** (knit knot): knit through the back then purl all in the same stitch. Keep it tight. Drop stitch from left needle. On right needle, pass 1st knit-through-the-back-stitch over the purled stitch

**twist**: insert and pull up loop as if to knit but don't drop left stitch. Remove right needle from loop and grasp with finger. Pull loop out a few inches. With finger in end of loop, twist loop in circles. Goal is to make loop fold back on itself. Put end of loop onto left needle. To make second( or third) twist, insert needle through back loop of both previous twist and left stitch and pull up a loop. Repeat directions. Once second twist loop is put back onto left needle, knit all three loops through the back. Loops should be of almost equal length but not perfect. No need to measure.
